The PEC slot will be owned by teams who meet the following criteria:

- have been invited directly;
- have qualified through regional qualifications.

b) Duration

Slots will be given to the owners only for the duration of a single PEC Tournament.

c) Team Slot

If players are contracted under a legal entity, who is acting as the team representative, then ownership of the slot is under control of this legal entity.

Legal entity that already has a slot in a tournament cannot sign a team/players who has started participating in this tournament. Participation is considered from the first match played in the tournament.

If players are not represented by any legal entity - the slot will be given to the actual team, where the team leader will be the designated contact person, in case the team didn't provide another person for this role (manager or player).

This person will be responsible for keeping the team in order, and holding all questions regarding team account submitting and maintenance, but in such a case the right to the license can only be sustained if 3 out of 4 players that actively played in the last stage(s) of the qualification stay in the team (temporary replacements are not taken into account). The contact person is a representative of the team who is responsible for all actions and commitments of the team.

d) Team ownership

Each organization and its legal entity can only acquire one slot per tournament (including its qualifiers).

Therefore it is not allowed for a squad to participate in a PEC tournament or qualifier if:

- Another squad of the same organization has been invited or qualified for the Tournament.

Such squads or one of these squads can be disqualified without prior notification from any stage of the tournament.

The players and teams are required to affirm that they have no business entanglement (including, but not limited to, shared management, shared ownership of entities, licensing, and loans) with any other participating team or its players. If you have an agreement or business arrangement that you think may be of concern, then please reach out to the Tournament organizer team for further discussion.

e) Withdrawal of a slot

Clutch Group and KRAFTON, INC. reserves the right to withdraw or deny slot ownership from any participant if owners breach the guidelines and/or rulebook set out by the organizer.

F. Confidentiality

Players are responsible for downloading the necessary game clients and updates to the servers/clients. Match start times will not be delayed due to any individual client or game issues.

All players should adjust settings and/or their hardware set up prior to match start. Hosts will not wait for players to adjust settings or hardware before starting matches.

It is the teams' responsibility to ensure they are ready in time. Timings and lobby information are subject to change, so it is every teams' and individual player's responsibility to update themselves on Discord servers before the Competition/round/match starts regarding any changes.

If a team is missing from the lobby at the match start time, the match will be started without them. All matches will be played as per the prescribed timings, so the teams must join the new game lobby and be prepared to start as soon as possible upon completion of the prior match.

It is the responsibility of each team captain to read discord for important messages regarding the lobby they are assigned to. This is especially important in the early part of each new game if a server needs to be restarted.

- If all players are marked as "#unknown"
- If the lobby host doesn't make it into the game.
- There's a mistake in the server settings. In this rematch all teams will participate.

- All players disconnected simultaneously from the server, except 1 team. This rule only applies if 3 or more teams were alive at the moment of disconnection. In case there were 16 or less alive players, the rematch will be played with these players with blue zone settings starting from Phase 4. The first zone will be visible when the plane takes off*

Administration reserves the right to request players to equip their in-game characters with specific items at their discretion. Such items will be provided to the players through the Esports Server and informed through Discord in advance.

G. Communication / Match Support

As mentioned earlier, all hardware, software and internet/network issues are the sole responsibility of the player. Hence, match support for the Competition is limited to the discord and lobby host. The discord and lobby hosts are there to assist you in your questions related to the Competition, rulings and other participation questions.

In all your communications pre, during and after the matches, the toxic behavior rules are to be followed.

14. Post-Match:

A. Result

Official results will be posted on the website and tournament platform as per regular procedures. Should teams have any questions or concerns regarding results, please raise the issue on Discord which will be followed up accordingly. Any further complaints can be filed following the "Protest/Escalations" procedure in Section 14B.

B. Protests / Escalations

Participants who wish to contest a ruling from the Host, believe a rule has been violated, or believe tournament integrity has been jeopardized in any way ("Disputing Party") may make a request to open a dispute. A dispute must not delay an upcoming match unless the dispute has the potential to impact the qualification or elimination for the upcoming match, at the sole discretion of the Administration.

The procedure to open and resolve a dispute is as follows:

1. A written statement must be provided to the Administration within one (1) hour of the completion of the match day in which the dispute pertains. The statement, at its minimum, must explain the Disputing Party's dispute and basic details of the situation.

2. Based on the situation, the Administration will determine if the dispute is clearly addressed by the Rules. If so, the dispute will be addressed accordingly. If not, the Administration will take necessary steps to establish a fair and judicious ruling on the manner.
3. The ruling on the dispute must be decided prior to the following match day, or before the Finals rankings are calculated for that respective stage, whichever happens first.
4. At this point, the ruling will become Final.

C. Breaks between Matches

Matches will be conducted as per the schedule. Players must enter the lobby as quickly as possible after the completion of the previous match. Hosts will not delay the start of the matches for late arriving players. Failure to return to the lobby on time may subject the player to penalties.

Annex A

Prize pool and payment procedure

A) Payment procedure

All prize payments will be done within 90 days after the Tournament finishes depending on that Participants provide prize money payout information described below.

Participants shall be eligible to receive prize money based on their final placement in the Tournament, provided Participants further satisfy all of the following conditions (“Payment Conditions”) within three (3) months from the date of conclusion of the Tournament:

1. Participants shall provide tournament organizer an executed Tournament Participation Agreement (“TPA”) in form required by tournament organizer;
2. Participants shall provide the tournament organizer (Clutch Group) an invoice for the prize winnings. Note: An account should be maintained at a financial institution that is not subject to any regulatory restrictions or sanctions imposed by any applicable jurisdiction, including, but not limited to, the following: the European Union or its member countries, Ukraine, the United States of America, and the Republic of Korea.
3. If Participants are unavailable to invoice their prize winnings, Clutch Group will work with Participants to find a solution for prize money payment. Note: Participants' account should be maintained at a financial institution that is not subject to any regulatory restrictions or sanctions imposed by any applicable jurisdiction, including, but not limited to, the following: the European Union or its member countries, Ukraine, the United States of America, and the Republic of Korea.

If Participants, which are otherwise eligible to receive prize money based on their final placement in the Tournament, fail to satisfy or do not fulfill these Payment Conditions (to the satisfaction of tournament organizer and Krafton, Inc.) during the period specified above, including that the Payment Conditions are satisfied at the time of payment, the payment will be made with G-Coin in lieu of the prize money, the in-game currency for the Game, issued by Krafton, Inc.

In this case, the tournament organizer will contact a representative of each Participating Team to clarify the necessary details for the delivery of G-Coins.

Note:

The amount of G-Coins awarded will be equal to the amount of G-Coins that Participants would have been able to purchase with the prize money on the day of delivery of the G-Coins.

G-Coins will be awarded directly to the individual players rostered on each Participant eligible to receive prize money.

The conversion of prize money to G-Coins will be based upon the exchange rate from USD to G-Coins and the full price cost of G-Coins on the day the G-Coins are deposited into the Game account for each individual player rostered on a Participant eligible to receive prize money, as determined by Krafton, Inc.

Participants and each player on Participants' rosters further acknowledge and agree to:

1. Release tournament organizer and Krafton, Inc. of all claims related to its right to receive the prize money in the event Participants fail to satisfy or do not fulfill the Payment Conditions;
2. Indemnify tournament organizer and Krafton, Inc. for any damages, losses, liabilities, and expenses (including reasonable legal fees and costs) arising out of Participants' failure to satisfy the Payment Conditions;

Annex B

PUBG Global Championship 2024 (PGC 2024)

A. PGC 2024 Points & PGC qualifying event

PEC: Fall is one of three PGC qualifying events in EMEA. **PGC qualifying event** is the whole tournament (including its qualifiers) which awards PGC points after its end. **PEC: Fall** will award PGC points, based on the Grand Finals placements.

Placement	Points	Placement	Points
1	400	9	120
2	250	10	110
3	225	11	100
4	200	12	90
5	175	13	80
6	150	14	70
7	140	15	60
8	130	16	50

A total of 2350 points will be awarded at PEC: Fall Grand Finals. More detailed information about the PGC points for each PGC qualifying event can be found in this [link](#).

B. PGC 2024 Tiebreaker Rule

If there are two or more teams with the same amount of PGC points at the end of the competitive season, the tiebreaker will be the teams Grand Finals placements of the last competitive PGC qualifying event that awards PGC points.

For avoidance of doubt, this means if team A and team B have 250 PGC points, their respective placement in PEC: Fall Grand Finals will be used as the tie-breaker to determine their PGC 2024 rankings (if tied team A reached the Grand Finals and tied team B did not reach the Grand Finals, team A is granted the slot).

C. PGC 2024 Points holder

- a. If players are contracted under a legal entity, who is acting as the team representative, then ownership of PGC points is under control of this legal entity.
- b. If players are not represented by any legal entity, PGC points are under control of the roster, where the roster representative (or PoC) is the designated contact person for all PGC points matters. In this situation the right to PGC points can be sustained differently, depending on the current timeline:
 - i. Before or during the second to last PGC qualifying event, players need to keep 3 out of the 4 players who were assigned to the team main roster. E.g. if after the second PGC qualifying event the roster replaces more than one player, the team forfeits their PGC points.
 - ii. Before or during the last PGC qualifying event, players need to keep 4 out of the 4 players who were assigned to the team main roster. E.g. if after the last PGC qualifying event the roster replaces one or more players, the team forfeits their PGC points.

D. Transfer of PGC Points

- a. A legal entity has the right to transfer its PGC points to the players on its roster upon releasing the roster. This transfer must be confirmed immediately after the roster's release. Failure to do so will result in the legal entity retaining the points.
- b. When a legal entity releases its roster and transfers PGC points to the roster, the retention of these points by the players will depend on the timing of the release:
 - i. **Before or during the second-to-last PGC Qualifying Event:** The players must retain at least 3 out of the 4 players from the original main roster.
 - ii. **Before or during the last PGC Qualifying Event:** The players must retain all 4 players from the original main roster.
- c. Players without an organizational affiliation may sign with a legal entity, but by doing so, they transfer their accumulated PGC points to that entity. This transfer can only be finalized after the legal entity's first official match with the newly signed roster in the subsequent PGC Qualifying Event.

- d. If a legal entity already possesses PGC points, it will not combine points from multiple sources. Official confirmation of the transfer will result in the entity retaining only the higher of the two point totals.
- e. After the final PGC Qualifying Event, teams without an organization may only sign with a legal entity that did not participate in any previous PGC Qualifying Events in 2024. Additionally, legal entities may only sign the roster with PGC points that they previously released if they participated in PGC Qualifying Events during 2024.
- f. Any transfer of PGC points between the regions (EMEA, APAC, Americas, Asia) is strictly prohibited.

All PGC points transfer operations need approval and confirmation by KRAFTON, INC.

E. PGC 2024 Points forfeit cases

- a) Teams will forfeit their PGC points if the roster rules are not followed.
- b) If all the team's players receive a permanent ban from PUBG Esports, they forfeit all the PGC Points. If the team's players receive a temporary ban from PUBG Esports that does not extend to the PGC event time window, they are allowed to keep their PGC points and participate in PGC.
- c) In case only one player of the team receives a permanent ban from PUBG Esports:
 - If the team is unable to field a full roster, and not in violation of the roster rules, the team will retain all points
 - If the team is unable to field a full roster and/or is in violation of the roster rules, they will forfeit all points
 - If the team is unable to field a full roster and/or in violation of the roster rules for PGC, they will forfeit all points
