PUBG Global Championship 2023 (PGC 2023)

1. PGC 2023 Points & PGC Qualifying Event

PEC: Fall is one of a minimum of three PGC Qualifying events in EMEA.

Placement	Points	Placement	Points
1	Directly Qualify	9	300
2	700	10	250
3	650	11	200
4	550	12	180
5	500	13	150
6	450	14	120
7	350	15	100
8	320	16	80

A total of 4900 points will be awarded from PEC: Fall Grand Finals.

More detailed information about the PGC points for each PGC Qualifying Event can be checked by this [link](#).

PGC Qualifying Event - is the whole tournament (including its qualifiers) which awards PGC points after its end. PEC: Fall will award PGC points, based on the Grand Finals placements.

Auto-qualification slot - In the case that a team earns the auto-qualification slot in PEC: Fall, but the team already has qualified through PGS points prior, the auto-qualification slot will be voided. Instead the slot will be chosen from the overall EMEA PGC points table with the team next in line qualifying.

2. PGC 2023 Tiebreaker Rule

If there are two or more teams with the same amount of PGC points at the end of the competitive season, the tiebreaker will be the teams grand final placements of the last competitive regional event that awards PGC points.

If there still exists a tie between teams after this, then the previous competitive regional event preceding this will be used as a tiebreaker, continuing until the tie is

broken. For avoidance of doubt, this means if team A and team B have 250 PGC points, their respective placement in PEC: Fall Grand Finals will be used as the tie-breaker to determine their PGC 2023 rankings.

If the tied teams didn't play together in the PEC: Fall grand finals, the tie breaker is the grand finals placements of the PGS 2 EMEA Qualifiers event which awards PGC points.

If the tied teams didn't play together in the previously mentioned tournaments, the tie breaker is the The Rotation Grand Finals placements, then following PEC: Spring Grand Finals placements.

If the tie still didn't break after that, the team with the highest achieved PGC points in one single PGC Qualifying Event is placed higher.

3. PGC 2023 Regional requirement

PGC 2023 requires that at least one team per region (EU, MEA) is qualified for PGC 2023. Should there be no teams qualified from a region, the highest placed team from that region replaces the last placed team from a region where there's already an additional qualified team.

4. PGC 2023 Points holder

- If players are contracted under a legal entity, who is acting as the team representative, then ownership of PGC points is under control of this legal entity.
- If players are not represented by any legal entity - PGC points are under control of the actual team, where the team leader is the designated contact person, in case the team didn't provide another person for this role (manager or player). This person is responsible for keeping the team in order, and holding all questions regarding team account submitting and maintenance, but in such a case the right to the PGC points can only be sustained if 3 out of 4 of the players that actively played in the last stage(s) of the last PGC Qualifying Event stay on the team (temporary replacements are not taken into account). The contact person is a representative of the team who is responsible for all actions and commitments of the team.

5. Transfer of PGC Points

All PGC points transfer operations can be done only with confirmation by KRAFTON, INC.

- 5.1. The legal entity has the right to transfer their PGC points to the players from the roster in case of releasing this roster.
- 5.2. In case of a legal entity releasing their roster and PGC points are given to this roster - players need to keep 3 out of the 4 players, who were assigned to the

team main roster during the last PGC Qualifying Event. Confirmation of this transfer should be done right after the releasing the roster. Otherwise, the legal entity retains the points by themselves.

- 5.3. Players without organization can sign with the legal entity, but in this case they are transferring their collected PGC points to this legal entity. Such an operation can only be completed after the first official match of the legal entity with this signed roster in the next PGC Qualifying Event.
- 5.4. If a legal entity already has PGC points, they will not combine the points accumulated from both ends. Official confirmation of this transfer will result in the org to retain the highest of the two scores for their PGC Points.
- 5.5. After the last PGC Qualifying Event teams without organization can sign only with a legal entity, which didn't take part in any of previous PGC Qualifying Events in 2023. Additionally, legal entities can only sign with the roster that owns PGC Points (described as in section 3) which they previously released if they participated in PGC Qualifying events during 2023.
- 5.6. Any transfer of PGC points between the regions (EMEA, APAC, Americas, Asia) is not allowed.

6. PGC 2023 Points forfeit cases

- a) Teams will forfeit their PGC points if the roster rules are not followed.
- b) If all the team's players receive a permanent ban from PUBG Esports, they forfeit all the PGC Points. If the team's players receive a temporary ban from PUBG Esports that does not extend to the PGC event time window, they are allowed to keep their PGC points and participate in PGC.
- c) In case only one player of the team receives a permanent ban from PUBG Esports:
 - If the team is unable to field a full roster, and not in violation of the roster rules, the team will retain all points
 - If the team is unable to field a full roster and/or is in violation of the roster rules, they will forfeit all points
 - If the team is unable to field a full roster and/or in violation of the roster rules for PGC, they will forfeit all points

PGC 2023 Rulebook will supersede any conflict in rules or interpretations between the PEC Rulebook and PGC 2023 Rulebook.
